Dear Mr Green

**ENVIRONMENTAL PROTECTION, ENGLAND AND WALES
Environmental Permitting (England and Wales) Regulations 2007**

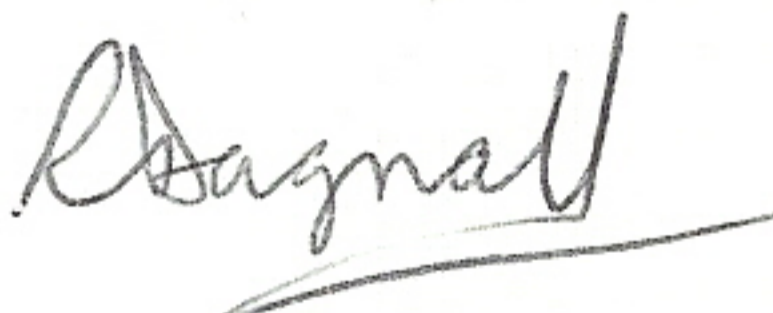

Thank you for your letter dated 6 October 2009, notifying us of your change of address.

We have already registered activities as exempt under paragraphs 11 and 17 of Schedule 3 at your new premises. We did this in August following a telephone call from Adrian Murphy at your company.

The new registration numbers are NCC/048782 for Paragraph 11 and NCC/048783 for paragraph 17. We sent Mr Murphy letters confirming these new registrations.

Therefore, we do not need to register them again.

Yours sincerely

Robert Dagnall
